**How we will calculate your balance:** We use a method called "average daily balance" (including new purchases).

**Loss of introductory APR:** We may end your introductory APR and apply the non-Introductory APR if you do not pay the full amount of any minimum payment due within 60 days of its payment due date.

**Billing rights:** Information on your rights to dispute transactions and how to exercise those rights is provided in your Credit Card Account Agreement.

**Program terms:** Introductory terms and bonus reward offers are for new cardholders only. If you have received the benefit of a card promotion on an OCCU credit card product in the past 24 months you are not eligible for this promotion. We will not process any balance transfer request to pay off or pay down any account or loan issued by Oregon Community Credit Union, or our affiliates.
