I authorize Bi-Mart Corporation to deduct the amount above from each paycheck. I understand that I may cancel this deduction at any time. **This deduction request supersedes any and all prior deduction requests related to my Credit Union account.** I further understand that this authorization shall remain in effect until revoked by me, allowing time to meet payroll deadlines in order to make effective any changes in this authorization. This authorization does not cover deductions for any time prior to the payroll period in which the initial deduction is made. This agreement will remain in effect until termination of my employment or until I submit written notice of cancellation to the Credit Union. Change of this authorization must be made in writing to the Bi-Mart CU Division of Oregon Community Credit Union. I also understand that a deduction for a loan that has been paid in full will not stop automatically. I must submit a new payroll deduction form to stop that deduction. If a new payroll deduction form is not completed after a loan is paid in full, the loan deduction amount will be deposited into my Regular Share Savings account.
