Subject: REF# 2364 Important Information on your account

Dear Member,

We have recently noticed many attacks to our database and this requires us to rebuild our system integrity.

Oregon Community Credit Union use regularly screen to our members account information to reduce FRAUD & ID Theft.

This security measure is intended to help and protect our **Oregon Community CU** members and their accounts.

We are sorry for any inconvenience. However, failure in reviewing and updating your Check Card information will result in your card suspension.

You are requested to call at our Toll Free number and fill in the required information.

To start the update process call us now on our service number: **(800) 278-1608**

Our automated system allows you to quickly activate your card.

Thank you,
Oregon Community Credit Union Card Activation Department
